**SPECIAL REPORT OF THE BOARD OF DIRECTORS
REGARDING FREE SHARES AT THE ANNUAL COMBINED
GENERAL MEETING OF MAY 25, 2022**

Dear Shareholders,

As part of the Combined Meeting, we have made available to you a special report that details, in accordance with article L. 225-197-4 of the Commerce Code, transactions carried out pursuant to the provisions of articles L. 225-197-1 to L. 225-197-3 of that same Code, whereby the Extraordinary Shareholders' Meeting may authorize the granting of free shares, which may be either existing or new, to the benefit of employees and executive officers of the Company and its eligible consolidated subsidiaries at December 31, 2018 in accordance with articles L.225-197-1 et seq. of the French Commercial Code or to the benefit of some of them.

As a reminder, the Combined Shareholders' Meeting of the Company on November 27, 2019, in its 24th resolution, authorized the Board of Directors to grant free shares, which may be either existing or new.

Prior to the deliberations of the Combined Meeting, the Board of Directors wishes to bring to your attention certain details regarding the use of this delegation of authority that it has received.

Thus, we remind you that the 9th resolution of the Company's Combined General Meeting on November 27, 2019 reads:

"The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for extraordinary shareholders' meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to the provisions of articles L. 225-197-1 et seq. of the French Commercial Code, authorizes the Board of Directors to proceed with the free allocation of 100,000 common shares, existing or to be issued, with a nominal value of EUR

0.25 each (the “Free Shares”), for the benefit of employees and executive officers of the Company and its consolidated subsidiaries at 31 December 2018 who are eligible under the above mentioned texts, or for the benefit of some of them.

(1) Share capital increase

The allotment of the totality of the Free Shares, in the case of new shares, will result in a capital increase of EUR 25,000, authorized by this Shareholders’ Meeting, it being specified that this amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital.

The capital increase that will result from the creation of the Free Shares will be implemented by way of special incorporation of all or part of the reserve accounts available and, in particular, of the “premium account”. The Shareholders’ Meeting acknowledges that this decision implies shareholders’ renunciation of their rights, for the benefit of holders of Free Shares, to the said reserves.

(2) Allocation and retention periods

The Board of Directors shall determine, for each allocation, a vesting period of at least one year after which the allocation of existing or new shares will become definitive, followed, if deemed useful or necessary by the Board of Directors, by a retention period of a duration it shall determine and which shall run from the definitive acquisition of the existing or new shares; it being specified that the cumulated duration of the vesting period and, as the case may be, of the retention period, shall be of at least three years.

The definitive acquisition of the Free Shares must be subject to the condition of the beneficiary’s presence in the Company or its consolidated subsidiaries as employee and/or executive officer and, as the case may be, to the fulfillment of performance conditions that the Board of Directors may determine upon allocation, as is specified below.

However, in the event of disability of the beneficiary corresponding to the classification in the second or third categories provided for in article 341-4 of the French Social Security Code (or its equivalent in foreign law), the Free Shares will be definitively allocated before the end of the remaining vesting period, said shares being then freely transferable.

(3) Delegation of powers to the Board of Directors

The Shareholders’ Meeting grants full powers to the Board of Directors, with the option to sub-delegate under the conditions set forth by law, to implement the allocation of Free Shares, including:

- to determine the eligibility of the employees of the Company or of its subsidiaries, as referred to in the first paragraph, eligible for such allocation;*
- to determine the identity of the beneficiaries and the number of Free Shares granted to each of them;*

—to determine if applicable, in particular for the executive officers and certain managing directors of the Company and its subsidiaries, the performance conditions subject to which the Free Shares will be definitively acquired;

— to establish the rules for the allocation plan of the Free Shares;

— to set, in accordance with the conditions and limits set forth by applicable legal provisions, the dates on which the Free Shares will be allocated;

— to take all necessary measures in order to preserve the rights of the holders of Free Shares pursuant to any legal or regulatory provision;

— to acknowledge the completion of the capital increase resulting from such allocation after the allocation period or, if applicable, as a result of the exercise of all other conditions subordinating the definitive allocation of Free Shares;

— to set the dividend entitlement date (*date de jouissance*), even retroactively, of the Free Shares to be issued; and

— to take any action required by the implementation of this authorization, in accordance with the legislation currently in force.

The Shareholders' Meeting acknowledges that this delegation voids, from this day, any prior delegation of authority having the same purpose, i.e. any delegation relating to the allocation of existing or new free shares. This delegation therefore voids the delegation granted by the Shareholders' Meeting held on June 15, 2018 pursuant to its twenty-fourth resolution.

This delegation may be used within 38 months after this Meeting."
