The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for Ordinary Shareholders' Meetings, after having deliberated and reviewed the Board of Directors' report, authorizes the Board of Directors, along with the power to sub-delegate, pursuant to the conditions set forth in Articles L.22-10-62 *et seq.* of the French *Code de commerce*, to repurchase Company's own shares through the implementation of a share buy-back program.

The Shareholders' Meeting decides that:

- the maximum purchase price (excluding expenses) per share is set at €25.00; and
- the maximum amount of funds allocated to the implementation of this share buy-back program may not exceed €10,000,000.

The Shareholders' Meeting grants to the Board of Directors, along with the power to sub-delegate within the conditions set by Article L.22-10-62 French *Code de commerce*, in the event of a change in the par value of the share, in the event of a capital increase through incorporation of reserves, in the event of an issue of consideration free shares, stock split or reverse stock split, distribution of reserves or of any other assets, in the event of a redemption of capital or any other transaction or with the amortization of equity or other transactions affecting equity, in such so as to take account of the impact of such transactions on the share value.

The Shareholders' Meeting decides that the Company may purchase a number of shares such that:

- the maximum number of shares that may be acquired pursuant to this authorisation may not exceed ten percents (10%) of the total number of shares comprising the Company's share capital and five percents (5%) of the total number of shares comprising the Company's share capital for the acquisitions made to retain shares and to subsequently use them as payment or in an exchange in the context of a merger, demerger or contribution transaction; it being specified that (i) these limits apply to an amount of the Company's share capital that will be adjusted, if necessary, to take into account those transactions that will affect the share capital subsequent to this Shareholders' Meeting, and (ii) when the shares are bought back to promote liquidity under the conditions set out by the General Regulations of the French *Autorité des marchés financiers*, the number of shares taken into account to calculate the above mentioned 10% limit corresponds to the number of shares purchased, minus the number of shares re-sold during the authorisation period; and
- the acquisitions carried out by the Company must not result in the Company holding, at any moment whatsoever, directly or indirectly, more than ten percents (10%) of its share capital.

This authorisation is intended to allow the Company to pursue the following objectives, in compliance with applicable laws and regulations:

- a) to retain the Company's shares that will have been purchased and to use them in exchange or in payment within the context of potential external growth transactions, in accordance with securities laws and regulations;
- b) to deliver shares upon the exercise of rights attached to securities giving access to the share capital of the Company;
- c) to allocate shares to employees or corporate officers of the Company or its subsidiaries in accordance with the terms and conditions set forth by law, in particular with respect to the allocation of free shares, the participation in the profits resulting from the expansion of the business, the stock option plans or through a company savings plan;
- d) to ensure liquidity and to promote the secondary market for the Company's securities, which would be accomplished by an investment services provider acting under a liquidity contract in compliance with the ethics charter approved by the French *Autorité des marchés financiers*;
- e) to cancel all or part of the repurchased securities, provided the twenty-seventh resolution below is adopted; and
- f) to accomplish all other authorized goals or goals that could become authorized by law or recognized or that would be recognized as a market practice by the French *Autorité des marchés financiers*, in which case the Company would inform its shareholders by way of a press release.

The Shareholders' Meeting decides that these purchase, sale, exchange or transfer transactions may be carried out by any means, that is, either on the regulated market, on a multilateral trading facility, through a systematic internalizer or through an over-the-counter transaction, such as an acquisition or block trades, or by resorting to financial instruments, in particular financial derivatives instruments negotiated on a regulated market, on a multilateral trading facility, through a systematic internalizer or through a private transaction or by resorting

to warrants, in compliance with the conditions set forth by the legislative and regulatory provisions that are applicable on the date of the considered transactions and during the periods set by the Company's Board of Directors or by the person to whom the Board of Directors delegated its authority. The maximum portion of the share capital acquired or transferred in the form of blocks trades can be the total amount of the share buyback program.

Moreover, the Shareholders' Meeting grants full powers to the Board of Directors, along with the power to sub-delegate pursuant to the conditions set forth in Article L.22-10-62 of the French *Code de commerce*, to decide and implement this authorisation, to specify, if necessary, its terms and, in particular, to place any on or off-market orders, to earmark or re-earmark purchased shares to the various objectives, in accordance with applicable laws and regulations, to enter into any agreements, particularly for the purpose of maintaining share purchase and sale registries, to complete any formalities or statements with any agencies, particularly the French *Autorité des marchés financiers* and, generally speaking, to take any necessary action in order to complete the transactions to be carried out pursuant to this authorisation.

The Shareholders' Meeting also grants full powers to the Board of Directors, if the law or the French *Autorité des marchés financiers* were to extend or supplement to the authorized objectives for share buyback programs, to inform the public of any changes to the share buyback program concerning the modified objectives, in accordance with applicable laws and regulations.

This authorisation is granted for a period of 18 months from the date of this Shareholders' Meeting. It voids, from that day, any prior authorisation having the same purpose, *i.e.* any authorisation relating to the repurchase of its own shares by the Company. This authorisation therefore voids the authorisation granted by the combined shareholders' meeting dated 25 May 2022 pursuant to its nineteenth resolution.

Extraordinary Shareholders' Meeting

Thirteenth Resolution - Delegation of authority granted to the Board of Directors to issue ordinary shares of the Company and/or securities giving access to the share capital of the Company, with shareholders' preferential subscription rights

The Shareholders' Meeting, acting under the conditions of quorum and majority required for extraordinary shareholders' general meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to the provisions of Articles L.225-129 to L.225-129-2, L.225-129-5, L.225-129-6, L.22-10-49, L.225-132 à L.225-134, and L.228-91 *et seq.* of the French *Code de commerce*:

1. Delegates its authority to the Board of Directors to decide, with shareholders' preferential subscription rights, upon the issue of shares (as the case may be in the form of American Depositary Shares or American Depositary Receipts) or any other securities giving access to the share capital of the Company, including through the allocation of free share warrants, in euros or any other currencies determined by reference to several currencies, in France or abroad, it being specified that said shares grant the same rights as previously issued shares subject to their dividend entitlement date ("*date de jouissance*"). Such issue may be carried out once in full or in various instalments, in the proportions and at the times it shall determine, both in France and outside France. It is hereby further specified that the Board of Directors will also have the option to sub-delegate all necessary powers to decide and implement the share capital increase to the Chief Executive Officer or, with his prior approval, to one or more of the Deputy Chief Executive Officers, under the conditions set forth by law;
2. Decides that any issue of preferential shares and securities giving access to preferential shares is expressly excluded;

3. Decides that the nominal amount of the share capital increases that could potentially be carried out immediately and/or in the future pursuant to this delegation cannot exceed an overall nominal amount of €5,000,000 (or, on the basis of the current nominal value of the Company's shares, equal to €0.25, a maximum amount of 20,000,000 shares), it being specified that this amount will be included in the overall nominal cap amount of €5,000,000 set forth in the twenty-second resolution of this Shareholders' Meeting and that this overall nominal amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital;

4. Delegates its authority to the Board of Directors for the purpose of deciding on the issue of debt securities giving access to share capital of the Company to be issued;

5. Decides that the overall nominal amount of securities representing debt securities giving access to the share capital of the Company to be issued that could potentially be issued pursuant to this delegation will amount to a maximum of €150,000,000 or to the exchange value of this amount in the event of an issue carried out in any other currency or in any currency unit set through reference to a number of currencies;

6. Decides that the shareholders will have the option to exercise their preferential subscription right with respect to the amount they are irreducibly entitled to, under the conditions set forth by law. In addition, the Board of Directors will have the option of granting shareholders the right to subscribe, subject to a reduction, a number of securities that is higher than the amount they are irreducibly entitled to, in proportion to the subscription rights they hold and, in all cases, up to the limit of the amount they request. If the subscriptions made as an irreducible right and, as the case may be, the subscriptions subject to a reduction, have not exhausted the total amount of an issue of securities, the Board of Directors will be able to use the following faculties:

- limit the issue to the amount of the subscriptions on the condition that such amount is equal to at least three-quarters of the decided capital increase,
- freely allocate all or part of the unsubscribed securities,
- offer to the public all or part of the unsubscribed securities;

7. Acknowledges that, for the benefit of holders of securities issued pursuant to this resolution and giving access to the share capital of the Company, this delegation of authority automatically implies shareholders' renunciation of their preferential subscription right to shares to which these securities grant rights over immediately or in the future;

8. Decides that the amount paid or that should be paid to the Company for each of the shares issued pursuant to this delegation will be at least equal to the nominal value of the share on the issue date of said shares;

9. Decides that the Board of Directors cannot, unless authorised in advance by the shareholders' general meeting, make use of this delegation in the context of a public offering initiated by a third party targeting the securities of the Company until the end of the offering period; and

10. Acknowledges that, in the event of the use by the Board of Directors of the delegation of authority granted by this resolution, the Board of Directors shall report to the following Ordinary Shareholders' Meeting, in accordance with applicable laws and regulations, on the use made of the delegation of authority granted by this resolution.

The delegation of authority granted to the Board of Directors is valid for a term of 26 months as from the date of this Shareholders' Meeting. It voids, from that day, any prior authorisation having the same purpose. This authorisation therefore voids the authorisation granted by the combined shareholders' meeting dated 15 June 2021 pursuant to its sixteenth resolution.

Fourteenth Resolution - Delegation of authority granted to the Board of Directors to issue ordinary shares of the Company and/or securities giving access to the share capital of the Company, without shareholders' preferential subscription rights, within the framework of a public offering other than referred to in paragraph 1° of Article L.411-2 of the French *Code monétaire et financier*

The Shareholders' Meeting, acting under the conditions of quorum and majority required for extraordinary shareholders' general meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to the provisions of Articles L.225-129 to L.225-129-2, L.225-129-5, L.225-129-6, L.22-10-49, L.225-135, L.22-10-51, L.225-136, L.22-10-52, R.22-10-32 and L.228-91 *et seq.* of the French *Code de commerce*:

1. Delegates its authority to the Board of Directors to decide, without shareholders' preferential subscription rights, upon the issue of shares (as the case may be in the form of American Depositary Shares or American Depositary Receipts) or any other securities giving access to the share capital of the Company, in euros or any other currencies determined by reference to several currencies, it being specified that said shares grant the same rights as previously issued shares subject to their dividend entitlement date (*date de jouissance*). Such issue is to be carried out through an offering other than those referred to in paragraph 1° of Article L.411-2 of the French *Code monétaire et financier*, once in full or in various instalments, at the time or times set by the Board of Directors and in the proportions it shall determine, both in France and outside France. It is hereby further specified that the Board of Directors will also have the option to sub-delegate all necessary powers to decide and implement the share capital increase to the Chief Executive Officer or, with his prior approval, to one or more of the Deputy Chief Executive Officers, under the conditions set forth by law;
2. Decides that any issue of preferential shares and securities giving access to preferential shares is expressly excluded;
3. Decides that the nominal amount of the share capital increases that could potentially be carried out immediately or in the future pursuant to this delegation cannot exceed an overall nominal amount of €5,000,000 (or, on the basis of the current nominal value of the Company's shares, equal to €0.25, a maximum amount of 20,000,000 shares), it being specified that this amount will be included in the overall nominal cap amount of €5,000,000 set forth in the twenty-second resolution of this Shareholders' Meeting and that this overall nominal amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital;
4. Delegates its authority to the Board of Directors for the purpose of deciding on the issue of debt securities giving access to share capital of the Company to be issued;
5. Decides that the overall nominal amount of securities representing debt securities giving access to the share capital of the Company to be issued that could potentially be issued pursuant to this delegation will amount to a maximum of €150,000,000 or to the exchange value of this amount in the event of an issue carried out in any other currency or in any currency unit set through reference to a number of currencies;
6. Decides to waive the preferential subscription right of shareholders to the securities to be issued pursuant to this delegation. The Board of Directors will have the option to grant shareholders a priority subscription period on all or part of the issue of these securities, for a duration and under conditions it shall determine, in accordance with the provisions of Article L.22-10-51 of the French *Code de commerce*. This priority period

shall not give rise to the creation of marketable entitlements and shall be exercised in proportion to the number of shares owned by each shareholder and may potentially be supplemented by a subscription subject to reduction;

7. Acknowledges that if the subscriptions have not absorbed all of the issue of shares or securities giving access to the share capital, the Board of Directors may limit the amount of the transaction to the amount of the subscriptions received;

8. Acknowledges that, for the benefit of holders of securities issued pursuant to this resolution and giving access to the share capital of the Company, this delegation of authority automatically implies shareholders' renunciation of their preferential subscription right to shares or securities giving access to the share capital of the Company that these securities grant rights over immediately or in the future;

9. Decides that the issue price of the shares issued pursuant to this delegation will be set at least equal to the minimum value set forth by law and applicable regulations at the time this delegation is used, which currently corresponds to the weighted average of the price of the share during the last three stock market trading days preceding the beginning of the offer to the public (within the meaning of Regulation (EU) 2017/1129, as amended) of the shares issued under this delegation, minus, as the case may be, a maximum discount of 10% of this amount;

10. Decides that the Board of Directors cannot, unless authorised in advance by the shareholders' general meeting, make use of this delegation in the context of a public offering initiated by a third party targeting the securities of the Company until the end of the offering period;

11. Decides that the issue price of the securities giving access to the share capital will be such that the amount received immediately by the Company, increased, as applicable, by the amount it is likely to receive in the future, be, for each share issued as a result of the issue of these securities, at least equal to the minimum issue price defined in the preceding paragraph; and

12. Acknowledges that, in the event of the use by the Board of Directors of the delegation of authority granted by this resolution, the Board of Directors shall report to the following ordinary shareholders' general meeting, in accordance with applicable laws and regulations, on the use made of the delegation of authority granted by this resolution.

The delegation of authority granted to the Board of Directors is valid for a term of 26 months as from the date of this Shareholders' Meeting. It voids, from that day, any prior authorisation having the same purpose. This authorisation therefore voids the authorisation granted by the combined shareholders' meeting dated 15 June 2021 pursuant to its seventeenth resolution.

Fifteenth Resolution - Delegation of authority granted to the Board of Directors to issue, without shareholders' preferential subscription rights, ordinary shares of the Company and/or securities giving access to the share capital of the Company, within the framework of an offering as referred to in paragraph 1° of Article L.411-2 of the French *Code monétaire et financier*

The Shareholders' Meeting, acting under the conditions of quorum and majority required for extraordinary shareholders' general meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to the provisions of Articles L.225-129 to L.225-129-2, L.225-129-5, L.225-129-6, L.22-10-49, L.225-135, L.22-10-51, L.225-136, L.22-10-52, R. 22-10-32, L.228-91 *et seq.* of the French *Code de commerce* and L.411-2 of the French *Code monétaire et financier* :

1. Delegates its authority to the Board of Directors to decide, without shareholders' preferential subscription rights, on the issue of shares (as the case may be in the form of American Depositary Shares or American Depositary Receipts) or any other securities giving access to the share capital of the Company, it being

specified that said shares grant the same rights as previously issued shares subject to their dividend entitlement date (*date de jouissance*). Such issue is to be carried out through an offering referred to in paragraph 1° of Article L.411-2 of the French *Code monétaire et financier*, once in full or in various instalments, in the proportions and at the times it shall determine, both in France and outside France, either in euros or in any other currency or any monetary unit established by reference to several currencies. It is hereby further specified that the Board of Directors will also have the option to sub-delegate all necessary powers to decide on and implement the share capital increase to the Chief Executive Officer or, with his prior approval, to one or more of the Deputy Chief Executive Officers, under the conditions set forth by law;

2. Decides that any issue of preferential shares and securities giving access to preferential shares is expressly excluded;

3. Decides that the nominal amount of the share capital increases that could potentially be carried out immediately and/or in the future pursuant to this delegation cannot exceed an overall nominal amount of €5,000,000 (or, on the basis of the current nominal value of the Company's shares, equal to €0.25, a maximum amount of 20,000,000 shares), it being specified that this amount will be included in the overall nominal cap amount of €5,000,000 set forth in the twenty-second resolution of this Shareholders' Meeting and that this overall nominal amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital;

4. Decides that, the issue of capital securities carried out pursuant to this delegation will not, in any event, exceed the limits set out by the applicable regulations on the issue date, *i.e.* at the present time 20% *per annum* at the time of the issue (it being specified that this 20% limit shall be assessed at the time of the issue and shall apply to the share capital as adjusted according to the transactions affecting it after this Shareholders' Meeting);

5. Delegates its authority to the Board of Directors for the purpose of deciding on the issue of debt securities giving access to share capital of the Company to be issued;

6. Decides that the overall nominal amount of securities representing debt securities giving access to the share capital of the Company to be issued that could potentially be issued pursuant to this delegation will amount to a maximum of €150,000,000 or to the exchange value of this amount in the event of an issue carried out in any other currency or in any account unit set through reference to a number of currencies;

7. Decides to waive the preferential subscription right of shareholders to the securities to be issued pursuant to this delegation;

8. Acknowledges that if the subscriptions have not absorbed all of the issue of shares or securities giving access to the share capital, the Board of Directors may limit the amount of the transaction to the amount of the subscriptions received;

9. Acknowledges that, for the benefit of holders of securities issued pursuant to this resolution and giving access to the share capital of the Company, this delegation of authority automatically implies shareholders' renunciation of their preferential subscription right to shares or securities giving access to the share capital that these securities grant rights over immediately or in the future;

10. Decides that the issue price of the shares issued pursuant to this delegation will be at least equal to the minimum value set forth by law and applicable regulations at the time this delegation is used, which currently corresponds to the weighted average of the price of the share during the last three stock market trading days preceding the beginning of the offer to the public (within the meaning of Regulation (EU) 2017/1129, as

amended) of the shares issued under this delegation, minus, as the case may be, a maximum discount of 10% of this amount;

11. Decides that the issue price of the securities giving access to the capital will be such that the amount received immediately by the Company, increased, as applicable, by the amount it is likely to receive in the future, be, for each share issued as a result of the issue of these securities, at least equal to the minimum issue price defined in the preceding paragraph;

12. Decides that the Board of Directors cannot, unless authorised in advance by the shareholders' general meeting, make use of this delegation in the context of a public offering initiated by a third party targeting the securities of the Company until the end of the offering period; and

13. Acknowledges that, in the event of the use by the Board of Directors of the delegation of authority granted by this resolution, the Board of Directors shall report to the subsequent ordinary shareholders' general meeting, in accordance with the laws and regulations, regarding the use made of the delegation of authority granted by this resolution.

The delegation of authority granted to the Board of Directors is valid for a term of 26 months as from the date of this Shareholders' Meeting. It voids, from that day, any prior authorisation having the same purpose. This authorisation therefore voids the authorisation granted by the combined shareholders' meeting dated 15 June 2021 pursuant to its eighteenth resolution.

Sixteenth Resolution - Determination of the issue price, up to the limit of 10% of the share capital *per annum*, of the ordinary shares and/or of the securities giving access to the share capital of the Company, in the event of a renunciation of shareholders' preferential subscription rights

Authorizes the Board of Directors, with the option to sub-delegate, under the conditions set forth by law, to set the price of the shares issued directly or through the issue of any other securities giving access to the share capital, after taking into account any market opportunities, at a price that is at least equal to the volume-weighted average (in the central order book excluding off-market block trades) of the Company's share price chosen in a period including between five and thirty consecutive stock market trading days among the last thirty stock market trading days preceding the date upon which the issue price is set, it being specified that this average could be adjusted, if needed, to account for the different dividend entitlement date (*date de jouissance*) and potentially be discounted by a maximum amount of 15%;

2. Specifies that the last thirty stock market trading days above are those that will immediately precede the determination of the issue price of the ordinary shares, such determination to take place, if necessary, at the close of the period during which investors are placing firm or indicative subscription orders (such period being the "bookbuilding" period) and therefore to reflect the price of such orders;

3. Acknowledges that the Board of Directors will have the option to implement this resolution both pursuant to the fourteenth and fifteenth resolutions; and

4. Acknowledges that, in the event of use by the Board of Directors of the delegation of authority granted by this resolution, the Board of Directors shall prepare a supplementary report, certified by the Statutory Auditors,

describing the final terms of the transaction and providing the criteria for assessing the actual impact on the shareholder's situation.

The delegation of authority granted to the Board of Directors is valid for a term of 26 months as from the date of this Shareholders' Meeting. The Shareholders' Meeting acknowledges that this resolution cancels and replaces in its entirety the twenty-second resolution approved by the combined shareholders' meeting of 25 May 2022.

Twenty-third Resolution - Delegation of authority granted to the Board of Directors for the purpose of issuing autonomous share subscription warrants reserved for the consultants of the Company

The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for extraordinary shareholders' meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to Articles L.225-129 to L.225-129-2, L.225-129-5, L.225-129-6, L.22-10-49, L.225-138 and L.228-91 *et seq.* of the French *Code de commerce*:

1. Delegates its authority to the Board of Directors for the purpose of deciding to increase the share capital, either once in full or in a number of instalments, in the proportions and at the times it shall determine, through the issue of share subscription warrants (*bons de souscription d'actions*, or "BSA"), it being specified that the Board of Directors may sub-delegate to the Chief Executive Officer or, with his approval, to one or more of its Deputy Chief Executive officers members, under the conditions set forth by law, all the necessary powers to decide and implement (and, as the case may be, postpone) on the share capital increase;
2. Decides that the nominal amount of the share capital increases that could potentially be carried out pursuant to this delegation cannot exceed a maximum nominal amount of €6,250 (i.e., on the basis of the current nominal value of the Company's shares, equal to €0.25, a maximum amount of 25,000 shares), it being specified that this amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital;
3. Decides to waive the preferential subscription right of shareholders to the BSA referred to in this resolution and to reserve the right to subscribe to any natural person or legal entity that is a consultant of the Company able to prove an existing contractual relationship with the Company as of the date of the use of this delegation by the Board of Directors;
4. Acknowledges that, for the benefit of holders of the BSA issued pursuant to this resolution, this delegation of authority automatically implies shareholders' renunciation of their preferential subscription right to shares to which these BSA grant rights over;
5. Decides that the Board of Directors will determine the precise list of beneficiaries within the category of beneficiaries previously mentioned for whose benefit the preferential subscription right was waived and will determine the characteristics, amounts and terms and conditions of any issue, as well as the terms and conditions for paying up the issued shares, being specified that one BSA will give the right to subscribe to one Company's share. In particular, the Board of Directors will determine the number of the BSA to be issued for the benefit of each beneficiary and will set, taking into account the guidelines included in its report, the subscription price and the exercise price of such BSA, their dividend entitlement date (*date de jouissance*), it being specified that the amount paid or that should be paid to the Company for each share issued within the context of this delegation, will be at least equal to the volume-weighted average of the Company's share price during a period of a minimum of five consecutive trading days to a maximum of thirty consecutive trading days among the last thirty trading days preceding the date upon which the subscription price is set, and potentially be discounted by a maximum amount of 5% at the time of allocation of the BSA, it being specified that the subscription price of the BSA shall be equal to 10% of the thus-determined exercise price of the BSA and that the amount thus disbursed at the moment of subscription may be deducted from the amount due at the time of exercise;

6. Acknowledges that this delegation voids, from that day, any prior delegation of authority having the same purpose, i.e., any delegation for the purpose of issuing autonomous BSA reserved for a specific category of persons. This delegation therefore voids the delegation granted by the combined shareholders' meeting held on 25 May 2022 pursuant to its twenty-third resolution; and

7. Acknowledges that, in the event of the use by the Board of Directors of the delegation of authority granted by this resolution, the Board of Directors shall report to the following ordinary shareholders' meeting, in accordance with the laws and regulations, regarding the use made of the delegation of authority granted by this resolution.

The delegation of authority granted to the Board of Directors is valid for a term of 18 months as from the date of this Shareholders' Meeting.

Twenty-fourth Resolution - Authorisation granted to the Board of Directors to allocate options to subscribe and/or purchase shares

The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for extraordinary shareholders' meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to Articles L.225-177 to L.225-185 and L.22-10-56 to L.22-10-58 of the French *Code de commerce*;

1. Authorises the Board of Directors to grant, on one or more occasions, subject to the abstention periods provided for by law, options granting entitlement to the subscription of new shares of the Company to be issued by means of a share capital increase or to the purchase of existing Company's shares resulting from buy-backs realised pursuant to applicable law, to the benefit of employees and executive officers of the Company or of the groups provided in Article L.225-180 of the French *Code de commerce*, or of some of them, and thus approves the putting in place by the Board of Directors of one or more share subscription and/or purchase options plans within the frame set out below;

2. Decides that the options that may be granted pursuant to this authorisation will not give rights, upon exercise, to the subscription or purchase of a total number of shares exceeding 400,000 shares, that is, as the case may be, a maximum share capital increase of €100,000; it being specified that this cap of 400,000 shares: (i) does not take into account any adjustment that may be made in accordance with applicable legal and regulatory provisions and, as the case may be, with the contractual provisions providing for other adjustment cases to preserve the rights of the holders of securities or other rights giving access to the share capital; and (ii) shall be adjusted to take into account all transactions lowering the nominal value of the shares or increasing the number of shares that could take place before the allocation of the options;

3. Decides that the time period for exercising the options shall not exceed 10 years from the date of the allocation;

4. Decides that the exercise price of the options granted pursuant to this delegation shall be set on the day the options are allocated by the Board of Directors, it being specified that the exercise price of the options shall not be (i) lower than 80% of the average of the stock price during the twenty stock market trading days preceding the date upon which the options are granted; and (ii) only for stock options, lower than 80% of the average purchase price of the shares held by the Company, pursuant to Article L.22-10-62 of the French *Code de commerce*;

5. Decides that the exercise price may be modified throughout the duration of the options only in case of implementation of the measures required to protect the interests of the beneficiaries of the options, pursuant to Article L.225-181 of the French *Code de commerce*;

6. Acknowledges that, for the benefit of the beneficiaries of the options, the Shareholders' Meeting's decision automatically implies shareholders' renunciation of their preferential subscription rights to shares that shall be issued as the options to subscribe are exercised;

7. Decides to grant full powers to the Board of Directors, with the option to delegate and sub-delegate under the conditions set forth by law, notably:

- to determine the conditions for the allocation of the options, the number and the identity of the beneficiaries and the number of options granted to each of them;
- to set, within the above-specified limits, the options exercise price and the time period during which the options may be exercised;
- to set the exercise conditions and notably the performance conditions to which the exercise of the options allocated to the executive officers of the Company and to some of the managing directors of the Company and of its subsidiaries shall be subject to;
- to impose, as the case may be, a time period during which the options shall not be exercised and/or a time period during which the acquired shares may not be transferred;
- when determining the features of each plan, to take into account legal requirements, notably tax ones, applicable depending on the jurisdiction where the beneficiaries are located, notably, as far as the United States are concerned, the relevant provisions of the Federal Tax Code;
- establish the rules for the allocation plan of the options
- to temporarily suspend the exercise of the options in given circumstances;
- where necessary, take all measures to reserve the rights of option beneficiaries in accordance with any legal or regulatory provision;
- set the dividend entitlement date (*date de jouissance*), even retroactive, of the shares to be issued on the exercise of the options;
- at its sole initiative, deduct the capital increase expenses on the amount of the premium relating to these issuances and to deduct from this amount the sums required to raise the legal reserve to one-tenth of the new share capital after each increase;
- to record the completion of the increase(s) in the share capital resulting from the exercise of the options, complete any acts and formalities in order to finalise the increase(s) in share capital realised pursuant to this authorisation, amend the articles of association accordingly and more generally take all decisions required in the context of this authorisation, grant all delegations, and do all that is needed.

The Board of Directors shall notify the shareholders each year during the shareholders' meeting, under the conditions set forth by law, of the transactions carried out in pursuant to this resolution.

The Shareholders' Meeting acknowledges that this delegation voids, from that day, any prior delegation of authority having the same purpose. This delegation therefore voids the delegation granted by the combined shareholders' meeting held on 25 May 2022 pursuant to its twenty-fourth resolution.

This authorisation is granted for a period of 38 months from the date of this Shareholders' Meeting.

Twenty-fifth Resolution - Authorisation granted to the Board of Directors to allocate existing or new free shares

The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for extraordinary shareholders' meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and pursuant to the provisions of Articles L.225-197-1 to L.225-197-6 and L.22-10-59 to L.22-10-60 of the French *Code de commerce*, authorises the Board of Directors to proceed, in one or several allocations, with the free allocation of a maximum of 100,000 common shares, existing or to be issued, with a nominal value of €0.25 each, for the benefit of the employees and the executive officers of the Company or the entities or groups referred to in Article L.225-197-2, or for the benefit of some of them (the "Free Shares").

(1) Share capital increase

The definitive acquisition of the totality of the Free Shares, in the case of new shares, will result in one or several capital increases of €25,000 which are authorised by this Shareholders' Meeting, it being specified that this amount does not take into account any adjustments that may potentially be carried out in accordance with

applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital.

The capital increase(s) that will result from the creation of the Free Shares will be implemented by way of special incorporation of all or part of the reserve accounts available and, in particular, of the account “share issue premium”. The Shareholders’ Meeting acknowledges that this decision implies shareholders’ renunciation of their rights, for the benefit of holders of Free Shares, to the said reserves.

(2) Acquisition and retention periods

The Board of Directors shall determine, for each allocation, a vesting period of at least one year after which the acquisition of existing or new shares will become definitive, followed, if deemed useful or necessary by the Board of Directors, by a retention period of a duration it shall determine and which shall run from the definitive acquisition of the existing or new shares; it being specified that the cumulated duration of the vesting period and, as the case may be, of the retention period, shall be of at least three years.

The definitive acquisition of the Free Shares must be subject to a condition of the beneficiary’s presence in the Company or its subsidiaries as employee and/or executive officer or the member of the administrative or supervisory bodies (subject to legal exceptions or a change of control of the Company and it being understood that the Board of Directors may, if necessary, waive this condition on an individual basis) and, as the case may be, to the fulfilment of performance conditions that the Board of Directors may determine upon allocation, as is specified below.

(3) Delegation of powers to the Board of Directors

The Shareholders’ Meeting grants full powers to the Board of Directors, with the option to sub-delegate under the conditions set forth by law, to implement the allocation of Free Shares, including:

- to determine the conditions of eligibility, the number and the identity of the beneficiaries et the number of Free Shares allocated to each of them;
- determine within the aforementioned limits, the acquisition period and, if applicable, the Free Shares conservation period;
- to determine, in particular for the executive officers and certain managing directors of the Company and its subsidiaries, as the case may be, the performance conditions to which the definitive acquisition of the Free Shares will be subject;
- to establish the rules for the allocation plan of the Free Shares;
- to take all necessary measures in order to preserve the rights of the holders of Free Shares pursuant to any legal or regulatory provision;
- to set the dividend entitlement date (date de jouissance), even retroactively, of the Free Shares to be issued; and
- to record the completion of the increase(s) in the share capital resulting from the definitive acquisition of Free Shares, complete any acts and formalities in order to finalise the increase(s) in share capital realised pursuant to this authorisation, amend the articles of association accordingly and more generally take all decisions required in the context of this authorisation, grant all delegations, and do all that is needed.

The Shareholders’ Meeting acknowledges that this delegation voids, from that day, any prior delegation of authority having the same purpose. This delegation therefore voids the delegation granted by the combined shareholders’ meeting held on 25 May 2022 pursuant to its twenty-fifth resolution.

This authorisation may be used within a period of 38 months from the date of this Shareholders’ Meeting.

Twenty-sixth Resolution - Delegation of authority granted to the Board of Directors for the purpose of issuing ordinary shares and/or securities giving access to the share capital of the Company for the benefit of the members of a company savings plan

The Shareholders' Meeting, acting under the conditions of quorum and majority required for extraordinary shareholders' general meetings, after having deliberated and reviewed the report of the Board of Directors and the special report of the Statutory Auditors, within the framework of the provisions of Articles L.3332-18 *et seq.* of the French *Code du travail* and of Article L.225-138-1 of the French *Code de commerce* and in accordance with the provisions of Article L.225-129-6 of that same *Code*:

1. Delegates all powers to the Board of Directors for the purpose of increasing the Company's share capital, either once in full or in a number of instalments, in the proportions and at the times it shall determine, by a maximum nominal amount of €12,500 (or, on the basis of the current nominal value of the Company's shares, equal to €0.25, a maximum amount of 50,000 shares), through the issue of shares or other securities giving access to the share capital, reserved to members of a company savings plan of the Company and of French or foreign companies that are related to the Company under the conditions set forth in Article L.225-180 of the French *Code de commerce* and Article L.3344-1 of the French *Code du travail*;
2. Decides that the Board of Directors will set the subscription price of the new shares, that will be equal to 80% of the average of the first listed prices of the Company's share during the twenty stock market trading days preceding the date of the decision setting the opening date for subscription when the duration of the lock-up period stipulated by the savings plan pursuant to Articles L.3332-25 *et seq.* of the French *Code du travail* is less than 10 years, and to 70% of this average when said lock-up period is greater than or equal to 10 years. Nevertheless, the Shareholders' Meeting expressly authorizes the Board of Directors, if it thinks it appropriate, to reduce or cancel the above-mentioned discounts, within legal and regulatory limits, in order to take into account, among others, the applicable legal, accounting, tax and social security considerations in the countries where the members of a company savings plan benefiting from the capital increase reside;
3. Decides that the Board of Directors will also have the power to substitute all or part of the discount with an allocation of free shares or other securities giving access to the Company's share capital, either existing or to be issued, it being specified that the total benefit resulting from the allocation and, as applicable, the discount mentioned above, may not exceed the total benefit that members of the savings plan would have received if that shortfall had been 20% or 30% when the lock-up period stipulated by the plan pursuant to Articles L.3332-25 *et seq.* of the French *Code du travail* is greater than or equal to ten years;
4. Decides, pursuant to Article L.3332-21 of the French *Code du travail*, that the Board of Directors may also provide for the allocation, free of charge, of new or existing shares or other new or existing securities giving access to the Company's share capital, as an employer matching contribution, provided that their equivalent monetary value, valued at the subscription price, will not have the effect of exceeding the limits provided for in Articles L.3332-10 *et seq.* of the French *Code du travail*;
5. Decides to waive, in favour of members of a company savings plan, the shareholders' preferential subscription rights to the new shares to be issued or to other securities giving access to the share capital, and to the securities to which such securities issued pursuant to this resolution give access to;
6. Decides that the characteristics of the other securities giving access to the share capital will be decided by the Board of Directors, under the conditions set forth by applicable regulations;
7. Decides that the Board of Directors shall have all powers, with the power to delegate or sub-delegate pursuant to applicable legal and regulatory provisions, to implement this resolution and, in particular, with respect to determining the terms and conditions of the transactions and deciding on the dates and terms of the issues to be carried out pursuant to this delegation, setting the opening and closing dates of the subscription periods, the dividend entitlement dates (*dates de jouissance*) of the issued securities, determining the terms and conditions for paying up the shares and other securities giving access to the Company's share capital, determining the timeframe for such paying up of shares and, as applicable, of the securities giving access to the Company's share capital, requesting the created securities' admission to trading on the stock market

wherever appropriate, announcing the completion of the share capital increases in the amount of the shares that will actually be subscribed, completing, directly or through an agent, any transactions and formalities in connection with share capital increases and, at its sole discretion and if it sees fit, deducting the costs of the share capital increases from the amount of premiums associated with those increases and withholding from that amount the sums necessary to increase the legal reserve to one-tenth of the new share capital after each share capital increase; and

8. Acknowledges that this delegation voids, from that day, any prior delegation of authority having the same purpose. This delegation therefore voids the delegation granted by the combined shareholders' meeting held on 25 May 2022 pursuant to its twenty-sixth resolution.

This delegation granted to the Board of Directors is valid for a term of 26 months as from the date of this Shareholders' Meeting.

Twenty-seventh Resolution - Delegation of power granted to the Board of Directors for the purpose of cancelling all or part of the treasury shares of the Company, acquired pursuant to the authorisation to repurchase shares

The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for extraordinary shareholders' meetings, having reviewed the report of the Board of Directors and the special report of the Statutory Auditors, subject to the adoption of the Company's authorisation to purchase its own shares, referred to in the twelfth resolution, authorises the Board of Directors, pursuant to the provisions of Articles L.22-10-62 *et seq.* of the French *Code de commerce*, to cancel, in the proportions and at the times it shall determine, once in full or in several instalments, all or part of the Company's shares that the Company holds pursuant to the authorisation granted by Shareholders' Meeting to repurchase the Company's shares, and to reduce the share capital by the overall nominal amount of the shares thus cancelled, within the limit of 10% of the share capital per periods of 24 months; it being reminded that this 10% limit applies to the Company's share capital amount, which may, if applicable, be adjusted to take into account the transactions affecting the share capital that may occur subsequent to this Shareholders' Meeting.

The Shareholders' Meeting grants full power to the Board of Directors, with the power to sub-delegate under the conditions set forth by law, for the purpose of proceeding with said capital reduction, acknowledging its successful completion, adding the difference between the cancelled share repurchase price and their par value to all items relating to reserves or premiums, carrying out the corresponding amendments to the articles of association, as well as making any declarations to the French *Autorité des marchés financiers*, completing any other formalities and, generally speaking, taking any necessary action.

This delegation of authority is granted for a term of 18 months as from the date of this Shareholders' Meeting. It voids, as from that day, any prior delegation granted to the Board of Directors, having the same purpose. This delegation therefore voids the delegation granted by the combined shareholders' meeting held on 25 May 2022 pursuant to its twenty-seventh resolution.

Twenty-eighth Resolution - Amendment of Article 16 of the Company's articles of association to modify the term of office of the Directors

The Shareholders' Meeting, acting in accordance with the quorum and majority requirements for extraordinary shareholders' meetings, having reviewed the Board of Directors' report and the draft of the new articles of association of the Company:

1. Decides to amend the Company's articles of association to reduce the term of office of the Directors of the Company from five (5) to three (3) years;
2. Decides that this amendment of the articles of association will only take effect at the initial expiry of the terms of office of the Directors in office as of the date of this Shareholders' Meeting. In the event of the death,

resignation or dismissal of the members of the Board of Directors in office on the date of this Shareholders' Meeting: (i) in the case of co-optation following a death or resignation, the director appointed in replacement of the deceased or resigning director will be appointed for the remaining term of office of the replaced director, (ii) in any other case, the new director shall be appointed for a term of office of three (3) years;

3. Decides as a consequence to amend the first paragraph of Article 16 "Term of office of the Directors" of the articles of association of the Company as follows:

"The term of office of the directors is three (3) years. This office ends at the end of the General Meeting called to approve the annual financial statements for the year ended and held during the year in which its term of office expires.

Nevertheless, this provision will only take effect at the initial end of the terms of office of the directors at the time of the General Meeting approving the financial statements for the fiscal year ended December 31, 2022, at which date the term of office of the members of the Board of Directors was five (5) years. In the event of the death, resignation or dismissal of the members of the Board of Directors in office on that date: (i) in the case of co-optation following a death or resignation, the director appointed to replace the deceased or resigning director is appointed for the remaining term of the five (5) year term of the replaced director (ii) in any other case, the new director shall be appointed for a term of three (3) years."

The remaining provisions of Article 16 of the Company's articles of association remain unchanged.
